

2018 ALZHEIMER'S CHARITY HORSE SHOW

Alzheimer's disease is the 6th leading cause of death in the USA. Of the top 10 most deadly diseases, it is the only one not yet preventable or curable.

This event is hosted by **Clarendale of Mokena Senior Living** in honor of all those affected by Alzheimer's.

Saddle Up and join us in our fight to save memories! Together, we will raise funds and awareness for care and support, while advancing research towards the first Alzheimer's survivor. Together, we can give ALZ the boot! **Every dollar raised will benefit Alzheimer's.**
